

Trend Micro Expands Global Operations Headquarters, Hosts Job Fair

Texas-based location continues growth after 2013 launch

Trend Micro Incorporated ([TYO: 4704](#); [TSE: 4704](#)), a global leader in security software, is expanding its Global Operations Headquarters in Las Colinas, Texas. To support its growth, the company is [hosting a job fair](#) spanning a variety of positions on November 5 from 5-8 p.m. at Trend Micro's offices, located at 225 E. John Carpenter Freeway, Suite 1500.

"Trend Micro has increased momentum since moving to our new headquarters just over a year ago," said Wael Mohamed, COO, Trend Micro. "Texas has proven to be an excellent base of operations for us, and we are investing heavily in this market to ensure long-term, sustained progress. This is an ideal location to continue growing because of its unique business climate and access to phenomenal talent."

Job fair attendees will have the opportunity to network with Trend Micro's senior management team, security experts and recruitment personnel. Trend Micro is an equal opportunity employer and all qualified applicants are encouraged to apply. Office tours will also be available during the fair.

[Openings span the following positions and beyond](#)

- Sales (inside, field, engineer & channel teams)
- Channel marketing manager
- Customer service & lead generation manager
- Customer technology support
- Senior manager - business applications

"We are proud to be a member of this vibrant community," said Kevin Simzer, Chief Marketing Officer, Trend Micro. "Making DFW our new home has been a very beneficial decision to help us better serve our customer base and employees. Combined with the strength of the overall technology industry and the tremendous increase we've seen in cybersecurity demand, Trend Micro is in the right place, at the right time, and we're here to stay."

To RSVP for the job fair, please register by November 3 at: <http://campaign.trendmicro.com/forms/2014CareerDay>.

Candidates are also encouraged to learn more about available positions and submit applications here: <http://www.trendmicro.com/us/about-us/careers/>.

The headquarters encompasses operations for threat research, finance, legal, customer support, commercial sales and marketing and human resources. Founded in Los Angeles in 1988 by Steve and Jenny Chang, and her sister, Eva Chen, Trend Micro is now the largest pure-play cyber security software and solutions provider in the world.
