

Trend Micro U.S. Channel Leader Recognized as 2021 CRN® Channel Chief

DALLAS, Feb. 8, 2021 /[PRNewswire](#)/ -- Trend Micro Incorporated (TYO: 4704; TSE: 4704), the leader in cloud security, today announced that [CRN®](#), a brand of [The Channel Company](#), has named Louise McEvoy, vice president of U.S. Channels, to its [2021 list of Channel Chiefs](#). The prestigious CRN® Channel Chiefs list, released annually, recognizes the channel's best leaders who continually demonstrate outstanding leadership, influence, innovation, and growth.

"We are continuously adapting our program to respond to the changing market dynamics and to meet our partners' needs. Under Louise's leadership, our channel program has been refreshed to enable and reward our partners for their cloud business, keeping it highly competitive and lucrative for our partners," said Hernan Armbruster, vice president of Americas Sales. "Louise's recognition to CRN's Channel Chiefs is a reflection of her expertise, leadership and commitment. Louise's professionalism, passion and drive make her an amazing leader and a role model for Trenders worldwide."

This nomination follows several other accolades Trend Micro's channel program has recently earned. In 2020, market analyst firm Canalys, recognized Trend Micro's commitment to the channel and named the company a [channel "Champion"](#). Earlier this year, CRN named Trend Micro one of the 100 Coolest Cloud Companies for 2021 for both its partner and product solutions for the cloud.

"CRN's 2021 Channel Chiefs list includes the industry's biggest channel evangelists, a group of individuals who work tirelessly on behalf of their partners and drive growth through the development of strong partner programs and innovative business strategies that help bring business-critical solutions to market," said Blaine Raddon, CEO of The Channel Company. "The Channel Company is proud to recognize these channel influencers and looks forward to following their continued success."

CRN's 2021 Channel Chiefs list will be featured in the *February 2021* issue of CRN® Magazine and online at www.CRN.com/ChannelChiefs.
