TrendLife Named Winner of the Coveted Global InfoSec Awards

TrendLife Wins Publisher's Choice Award in 14th Annual Global InfoSec Awards

SAN FRANCISCO, May 14, 2026 – TrendLife, the consumer business unit of Trend Micro Incorporated (TYO: 4704; TSE: 4704), is proud to announce we have won the following award from Cyber Defense Magazine (CDM), the industry's leading electronic information security magazine:

Publisher's Choice Award for Trend Micro ScamCheck, an AI-powered cybersecurity solution

"We're thrilled to receive one of the most prestigious and coveted cybersecurity awards in the world from Cyber Defense Magazine, one of the world's leading independent cybersecurity news and information providers, during their 14th anniversary. We knew the competition would be tough. With top judges who are leading infosec experts from around the globe, we couldn't be more pleased," said Frank Kuo, Chief Consumer Business Officer of TrendLife.

"We scoured the globe looking for cybersecurity innovators that could make a huge difference and potentially help turn the tide against the exponential growth in cyber-crime. TrendLife is absolutely worthy of this coveted award and consideration for deployment in your environment," said Yan Ross, Global Editor of Cyber Defense Magazine.

We're thrilled to be a member of this coveted group of winners, located here: https://cyberdefenseawards.com/global-infosec-awards-for-2026-winners-by-company/

About the Global InfoSec Awards
This is Cyber Defense Magazine's 14th year of honoring InfoSec innovators from around the Globe. Our submission requirements are for any startup, early stage, later stage, or public companies in the INFORMATION SECURITY (INFOSEC) space who believe they have a unique and compelling value proposition for their product or service. Learn more at www.cyberdefenseawards.com

About the Judging
The judges are CISSP, FMDHS, CEH, certified security professionals who voted based on their independent review of the company-submitted materials on the website of each submission including but not limited to data sheets, white papers, product literature and other market variables. CDM has a flexible philosophy to find more innovative players with new and unique technologies, than the one with the most customers or money in the bank. CDM is always asking "What's Next?" so we are looking for best of breed, next generation InfoSec solutions.
